

Marco Mills

About Me

Passionate web developer with a knack for turning ideas into engaging, user-friendly websites. With a solid foundation in HTML, CSS, and JavaScript, I've expanded my skills in responsive design, modern frameworks, and clean, efficient code. Whether it's crafting a seamless layout, debugging a tricky issue, or creating a dynamic user experience, I bring creativity and problem-solving to every project. After building a diverse portfolio of work, I'm excited to contribute my skills to a collaborative team and grow in a full-time role where I can make a real impact.
